

GET A CLEAR VIEW OF THE ROAD AHEAD!

Cyclone

Cyclone™ Hybrid Blades combine the windshield hugging features of a conventional spring loaded blade with the anti-snow build-up features of a beam blade, for superior, streak and noise free wiping in rain, ice and snow.

ALL WEATHER PERFORMANCE

- All season performance in rain, snow and ice

DURABILITY

- Dur-iflex™ cover provides maximum flexibility and protection from clogging with snow and ice
- Premium rubber with Duri-glide™ coating for smooth, quiet wipes

PERFORMANCE FEATURES

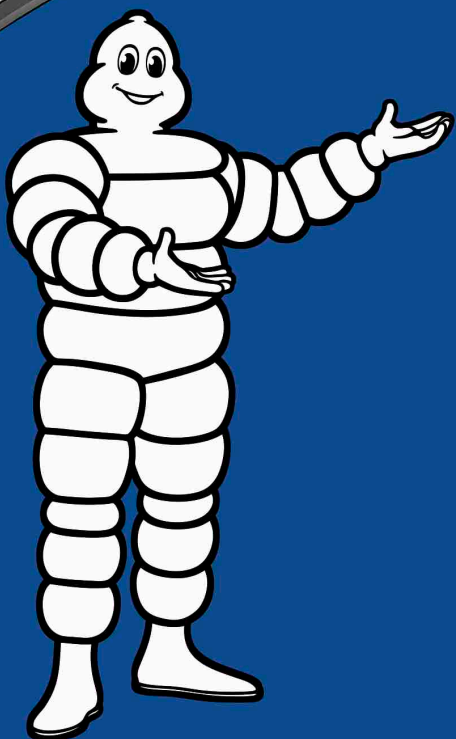

- Hybrid design wipes windshield better*
- Sleek OEM Design
- Blade structure rotates to provide more articulation

FRAME CONSTRUCTION

- Exclusive Smart-Flex design adapts to the curve of your windshield for the best wipe possible
- Independent suspension provides superior wiper blade contact across the entire blade

EASY TO INSTALL

- Quick and easy installation in minutes
- Fits 98% of vehicles
- Step by step installation videos available

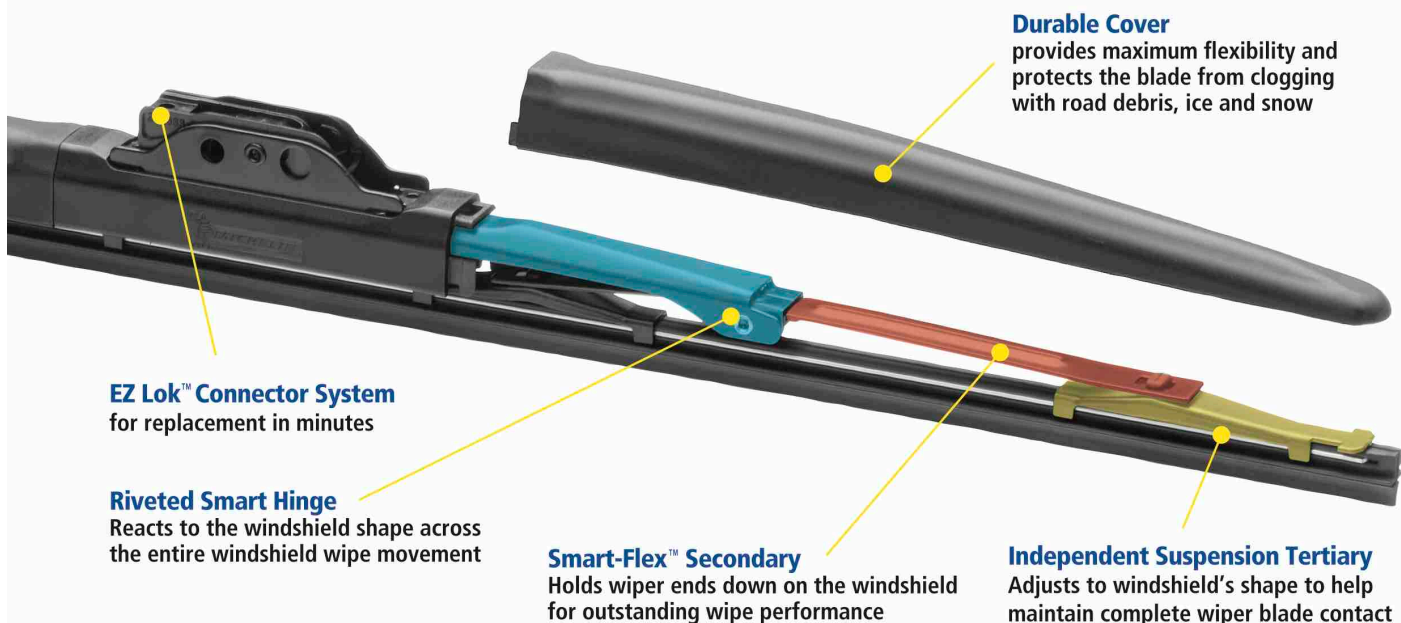

MICHELIN

Cyclone

MICHELIN

Patented Smart-Flex™ Technology

Outstanding windshield contact for excellent performance in rain, ice and snow!

*Hybrid blades wipe better in all seasons versus conventional blades where the blade components are exposed

SEE CLEARLY- DRIVE SAFELY!

Michelin RainForce™ Wiper Blade

RainForce™ conventional blades are the ideal wiper replacement solution for all weather performance in rain, ice and snow

ALL WEATHER PERFORMANCE

- All season performance in rain, snow and ice

DURABILITY

- Heavy duty steel frame for added strength and durability

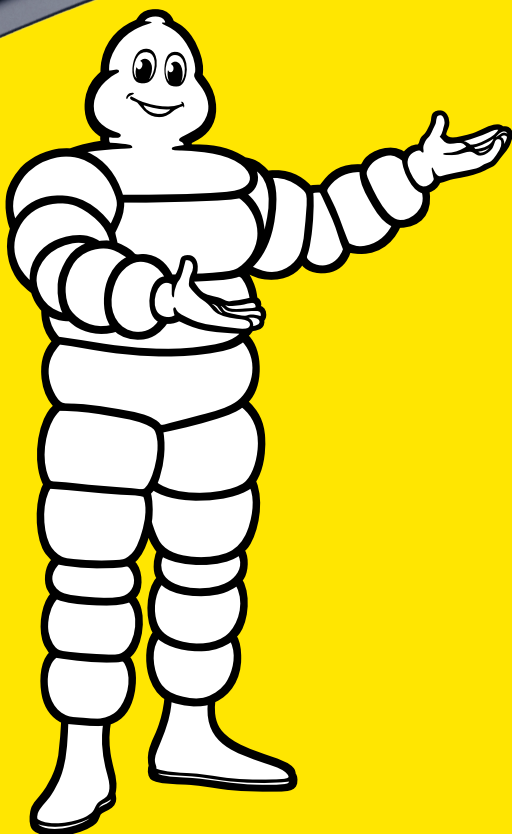

BLADE FEATURES

- Aerovented riveted design with multi pressure points for streak free wipes
- Compression molded natural rubber for smooth quiet wipes

QUICK AND EASY TO INSTALL

- Quick and easy installation in minutes with EZ LOK™ connector system
- Fits 100% of traditional applications*
- Step by step installation videos available

* 9x3 & 9x4 hook, 1/4" pin, 3/16" Pin, 7mm Bayonet

MICHELIN

RainForce™

Preinstalled Connector
Fast, easy installation

Aerodynamic Heavy-Duty Frame
With all-metal riveted construction
and aero vented design

Graphite Coated
Compression molded natural rubber
for smooth, clean wiping

Stainless Steel Flexors
For corrosion free long life

See Clearly, Drive Safely

All season performance in rain, ice and snow!
